Hi, here's the latest from EDF Health:

[EDF statement in advance of House hearing on failure by the Trump EPA to protect workers from toxic chemicals](#)

By Richard Denison

Richard Denison, Ph.D., is a Lead Senior Scientist. Tomorrow, the House Energy and Commerce Committee's Subcommittee on the Environment and Climate Change will hold an oversight hearing on "Mismanaging Chemical Risks: EPA's Failure to Protect Workers." In advance of the hearing, Environmental Defense Fund lead senior scientist, Dr. Richard Denison, made the following statement: "Under the [...]"
